

REGULATION

U.R.I. Union of Italian Radio Amateurs, establishes the Permanent Spélaion Award, in order to exploit the explored and unexplored underground world as "The Natural Caves" on the national and international territory.

All the Radioamators, Radioamatrici and SWLs of the world will be able to participate indiscriminately beyond the Membership Association.

All the modes and frequencies that have been assigned are admitted, in compliance with the Band Plan. No connections via repeater or cross band are allowed.

A list of the various References will be drawn up in each province. The abbreviation of the Reference will be set up eg. SPE 001 REGION.

NEW ONE requests must be sent to speleo@unionradio.it

There will be dedicated diplomas dedicated to those who will help us to cite the various NEW ONE in the territory. The steps will be for every 10 censed References.

For activators there is no obligation to go to the site but the reference can go ON AIR even at a fixed station just to be in the province where the Referral is located.
